Daily Decalogue of Blessed Pope John XXIII

These maxims express the human wisdom and holiness of the Church. When we live these out we put into practice Pope John's hope for every Christian: "Every believer must be a spark of light, a core of love, a life-giving leaven in the world; and the more he is so, the more he will live in his innermost depth, in communion with God."

Only for today, I will be happy in the certainty that I was created to be happy, not only in the other world but also in this one.

Only for today, I will adapt to circumstances, without requiring all circumstances to be adapted to my own wishes.

COTL Monthly Mass: Fr. Tim Davern will be celebrating Mass in the Cenacle at 11am on the 2nd Tuesday of each month, **November 8th** is the next date. Please come and join in this great blessing to our covenant life together. (bring a brown bag lunch)

Thank you!

Dear Brothers and Sisters,

I continue to experience the love and peace of God through your prayers, mass cards, gifts, financial support, calls and visits. It is the most miraculous experience I have had, encountering the love of God. Nothing, nothing, nothing except excepting the will of God in every day life, no matter what it is. This is an experience of union not the dark night.

I continue to pray the community prayer for you every day and I do the prayer walk once a week for you.

With gratitude and love

In Christ,

Maureen Webster

The Pope's General Intention for October:

For the terminally ill, that in their sufferings they may be sustained by faith in God and by the love of others.

The Pope's Mission Intention for October: That the celebration of World Mission Sunday may increase in the People of God the passion for evangelization and the support of missionary activity through prayer and economic aid for the poorest Churches.
