Daily Decalogue of Blessed Pope John XXIII –

These maxims express the human wisdom and holiness of the Church. When we live these out we put into practice Pope John's hope for every Christian: "Every believer must be a spark of light, a core of love, a life-giving leaven in the world; and the more he is so, the more he will live in his innermost depth, in communion with God."

- Only for today, I will firmly believe, despite appearances, that the good providence of God cares for me as no one else who exists in this world.
- Only for today, I will have no fears. In particular, I will not be afraid to enjoy what is beautiful and to believe in goodness. Indeed, for 12 hours I can certainly do what might cause me consternation were I to believe I had to do it all my life.
